The city is divided into Five Wards. Each of these Wards into Districts, to each of which is appropriated a Visitor. Whole number of Districts in the City is 46.

One object of this Association is to discourage indiscriminate alms-giving. When an application is made for assistance, ascertain the Ward, Street, and Number of the residence of the applicant. This will enable you to find the District in which he lives, by referring to which you will see the name and residence of the Visitor, to whom send him.

## VISITOR'S MANUAL.

1. Never relieve without first visiting observing, and enquiring. You wrong the really poor if you give to the undeserving.

2. If deceived, report the case to your Committee at once, for record.

3. Relieve, always, the old, the sick, infirm, and unavoidably unfortunate; and manage to provide labor as well as present help, for those who are able and willing. Never help the able who will not work, nor the vagrant, nor the professional beggar. Give to the drunkard's family, never to *him*, and then take care that what you give be not the instrument of his sin. Give *him* advice, work, and every aid to reformation.

4. Where the needy have able relatives, tell *them*, and do not give save for extreme present necessity, till they refuse; and then report the case to your Committee at once.

5. Try to improve the character as well as the bodily condition of those you visit. Recommend the Church, the Sunday and the Public School, and the cause of Temperance. Encourage neatness, industry, patience, energy, thriftiness.

6. Give only what is necessary, and no more at one time than is. Give what can least easily be abused. Never give money without the direction of the Advisory Committee; and, except in sickness, let your assistance, both in quality and quantity, be inferior to what can be procured by labor. Do not prolong your assistance beyond the period of necessity.

7. Record in a book the names of those you help—what you give them; also such notice of any particular circumstance as will tend to illustrate character, show improvement, or call for special advice. On your removal or resignation, notify the Secretary, and transfer to him your book and papers. Report monthly.

8. Seek the needy; some die rather than beg. With such use the greatest delicacy.

9. With all "Be pitiful, be courteous, be kind and tender-hearted; not rendering evil for evil, nor railing for railing, but contrariwise, blessing."

## PROGRESSIVE GROWTH OF OUR CITY.

MR. B. T. PIERSON, Editor of the Newark Directory politely furnishes us (Newark Daily.) with the following table, showing the growth of our population during the last twenty-two years; in which period it appears to have nearly quadrupled—and that too by those regular gradations that indicate a sound and wholesome progress.—There is, in truth, nothing forced or factitious in this remarkable growth. The prosperity rests upon the surest of all possible grounds—steady industry and sound morality. At the present rate of progress—and we see nothing that is likely to check it—the population must approach at least an hundred thousand within another 20 years. Fortunately there is room enough and to spare within our present city limits :

# THE AMERICAN

## Mutual Fire and Marine Insurance Co.

AT NEWARK, N. J.

This Institution, Chartered 1846, by the New Jersey Legislature, has been organized: and is now in successful operation. Insurance against losses by fire and sea, may be effected in this Company on as favorable terms as are offered in any other institution. The charter is one of most favorable ever granted by the Legislature. The most valuable features of the *Mutual principle* are possessed by the Company. All who insure are stockholders, and the profits, after paying expenses, belong to the insured.

A fund of \$15,000 has been received, to meet losses that may occur before the premiums received are adequate to pay the losses that may be sustained.

The Company having been incorporated expressly as a New Jersey institution and to meet the wants of this community, the attention of the public is called to the superior advantages possessed by the company, that its merits and claims may be investigated. For business or other information apply at the office of the company, 297 Broad street, Newark, N. J. (up stairs.)

**PIERSON'S  
NEWARK CITY DIRECTORY.**

FOR THE

74th YEAR OF AMERICAN INDEPENDENCE,  
FROM 4th JULY, 1849:

*Important observations to those using this Work.*

Throughout this Directory, the christian names of those where there are more than one of the same surname, are carefully alphabetically arranged, male and female, firms, &c. In searching for a name, the inquirer must know the proper spelling. For example, a person seeking for—Pirsson, will not find the one sought for if he looks in the names of Pierson; so, also, for—Bonnell, he should not look among the Bunnells; and for Conger, not in Congar; and for Parcels, not look in Parsals, Parceils or Parsil; nor for Hays in Hayes.

*h. stands for house—n. near—c. corner—r. residence—  
Av. Avenue—Pl. Place.*

## ADVERTISEMENT.

---

This my Fifteenth Edition comes forth some twelve days earlier than usual, (*which is a great desideratum, where there are so many changes*), owing to a new arrangement which strikes me very forcibly as a good one, which was to have all the printing (except the names,) done before the names come in, thereby giving me ample time to get up *all* the matter before and after the names, (*which requires much time, care and patience*), all right. The only difficulty I experienced was to ascertain who wanted to advertise, and who of those that had an advertisement already in, wished it continued or change in firms and at what location, &c. For that purpose I advertised once a week for three months, for *all* those interested to attend to it immediately, or not to blame me, so that if any one is omitted who meant to had an advertisement in my book, they will please to excuse me of any neglect on my part.

My notice read as follows, viz: **IF**

I want all those who wish an advertisement in my **DIRECTORY** for the current year, and those wishing any alterations in those already in, to forward them immediately to **HOLBROOK'S** office near 333 Broad street, those who do not notify me of any change in firm or location or to be discontinued, I will consider it right, and those in arrears for advertisement will be left out, if not settled for immediately. The price for advertising this year will be, for one copy of the Directory and one page of advertisement \$3, and for all *smaller* than one page more than that proportion, and I would *respectfully* request *all* those interested (*as Counsel has wholly refused to do any thing in the premises*), to see to it that they have their dwellings and places of business, numbered by the City Surveyor *correctly*, and immediately, as my Canvassers will have no time to *survey* or *pace* to ascertain what their number should be, for they will be instructed to give the number and street *only* where there is no numbers, and not to give the *metes* and *bounds*. To those who refuse to comply with so reasonable request and their name should be found in my book not *right*, and they should attempt to abuse me, I will refer them to this advertisement which will clear me of any blame on my part. Please remember this, and dont say you never saw it.

January 18, aawtal.

D. T. PIERSON.

There were 7,500 names last year, this year about 8,000, an increase of some 500, which adds 2,000 to our population, allowing four persons to a name, (*which is the true ratio*) making the population now about 32,000; which would be found about the right *count* were the census now taken. There were built from the 1st of April 1848 to 1st April 1849 over *four hundred* Buildings of various kinds, among which are four churches, one Presbyterian, one Reformed Dutch, one Methodist, and one Roman Catholic, two Public School houses and one very large Malting house, all of brick, and notwithstanding the large number of dwellings erected yearly, there continues to be a great call for houses, people appear to be *flocking* from every direction, to share with us, in the Luxury of living in so *pleasant and Beautiful a city* as Newark, where any one who is willing to work, can earn enough to make both *ends meet*, and have something over at the end of the year, if *economy* is exercised.

My Canvassers were, viz: North Ward James J. Oliver, West Ward Nath. H. Lewis, South Ward William Douglass, East Ward Orlando Richmond, Fifth Ward Wm. H. Crane, who alone are responsible for *any* neglect to do their *whole duty* in collecting the names.

I have now finished (*all but selling*) my Fifteenth edition of the NEWARK CITY DIRECTORY, which I *trust* will be found *correct* as any book of the kind *can* be and *all* that remains is for the citizens to *buy* them *all* and *pay* for them on delivery in *current money*, and not give me the trouble and expense of spending *two* dollars to collect *one*, for there is no excuse for so doing, in these YEARS OF PLENTY.

May 1, 1849.

B. T. PIERSON.

N. B. My Canvassers *all* complain that many Boarding houses, and private houses refuse wholly to give their names.
